7-Drawer Jewelry Cabinet

The 7-Drawer Jewelry Cabinet is made of beautiful hardwood with drawers lined with velvet inserts that safely and conveniently organize your jewelry. The standard cabinet with brass pulls includes five open-compartment layouts and two complimentary, custom layouts "J" shown below. Other custom layouts are available - see next page.

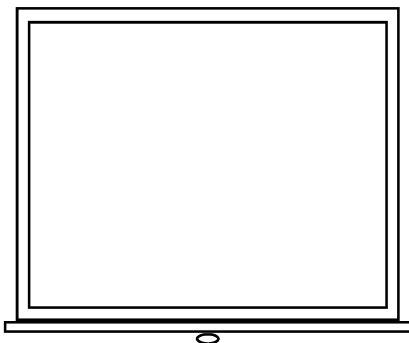

Hardwood choices include Walnut, Cherry, Maple and Bubinga.

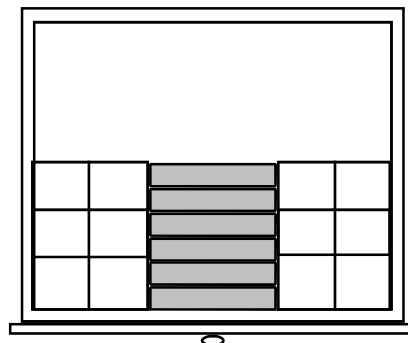

Standard liners are black velvet. Other colors available as custom interiors.

The top six drawers each have 1-3/8 inches of usable depth.

The bottom drawer has 3-3/8 inches of usable depth.

The black velvet open compartment layout is the standard for all drawers. Custom layouts and colors are available.

This versatile layout "J" has a section of padded, grooved jewelry holders ideal for storage of rings, earrings and pins; 12 small compartments; and one large open section.
